

Hill International Wins Joint Contract With Phoenix's Aviation Department

August 6, 2018 posted by [admin](#)

Hill International was awarded a \$47.5 million joint contract with Red Brick to provide construction management services to the City of Phoenix's Aviation Department for their upcoming Capital Improvement Program (CIP). The CIP is comprised of a five-year development plan for projects at the three airports controlled by the City of Phoenix: Phoenix Sky Harbor International Airport, Phoenix Goodyear Airport, and Phoenix Deer Valley Airport. Molera Alvarez was proud to assist Hill International in their successful bid. For more information on this contract, visit their [website](#).
