

## Juan-Pablo (J.P.) Villamizar

### President, Advisory

J.P. Villamizar is a global executive with over 25 years of experience leading complex businesses and driving growth strategies across transportation, infrastructure, utilities, and energy markets. He has shaped strategic initiatives in the Middle East and led operations in Asia and the Americas, overseeing large-scale programs, enterprise performance improvement, and organizational transformation. His expertise also includes M&A and post-merger integration, where he has successfully aligned organizations, optimized synergies, and delivered sustainable value creation.

Before his current role, J.P. led Hill's operations in California, Latin America and managed strategy for the Western U.S. He holds an MBA with a focus on Finance and a Bachelor of Business Administration in International Business. JP is a proud member of the Executive Fundraising team for Blood Cancer United and previously served as Executive member for the Singapore and Saudi Arabia Project Management Institute (PMI).
