

Richard Box

Senior Vice President, Advisory

Key Focus: Energy

Richard Box brings more than 35 years of experience delivering environmental and engineering solutions across the Energy and Transportation sector. He specializes in Transactional Due Diligence and Risk Reduction in the Environmental space.

Richard's career spans roles as an Environmental lead, Oil and Gas Initiative lead, as well as Operational lead roles including President of an environmental consulting company. This combination of technical and business roles enables him to pair deep technical understanding with strong business and risk insight. He has supported global Oil and Gas clients, Utility Clients, and Transportation clients through Engineering and Environmental Services with a specialty in large scale Mergers, Acquisitions, and Divestments.
